WELCOME BACK TO SCHOOL

T'iis Ts'ózi Bi' Olta'

Crownpoint Community School

Ya'ah'teeh Parents and Guardians,

Welcome back to our new school year 2026-2027, its was nice to see familiar and new faces as school has started. I hope you all had a great summer with your children and ready for the new year. We are excited for this new year! HAPPY NEW YEAR! We are already ending our 4th week of school. So far we've been doing great. CCS would like to remind you of:

Clear bag policy next School Year 26-27

This year we will have a clear bag policy. We purchased the bags full of supplies. If a new bag is needed throughout the year please let us know. Thank you for abiding by this policy. Ensure you check your childs bag as often as possible.

Attendance Policy

Attendance this year will be documented very well. The process will be in the Student Parent handbook given out by the end of August. If your child is absent please provide documentation on the reasons why they were absent. If Marsh, Registrar is giving you a call in regards to your childs attendance please be kind to her. We all care about your childs attendance

Welcome to our two new Teachers!!!

Please welcome our two new teachers:

Jessica Tso-4th grade teacher

Lisa Tolino-5th grade teacher

We are so excited to finally fill these two positions!!

Student Parent Handbook

Handbooks have printed and handout to classrooms. Your child/ren should have brought one home. Please sign the last page and send back to school. It is published on our school website. Please take a look, if you have questions let us know. This past years major incidents were: Attendance, vaping, bullying, some dress code violations, phone/earphones, and some other discipline issues. Let continue to work with each other for our student's safety, education and well being.

THANK YOU,
MS. WHITEHAIR, PRINCIPAL
