## PRINCIPAL NEWS

April 23, 2026

**Dear Parents and Guardians,**

Thank you for sending your child/ren to school for testing this week! We had to change a schedule due to no internet on Tuesday morning; however it worked out. The students who made it to each testing session will receive their incentive Friday morning! Also thank you for your understanding in some schedule conflicts with the Science Fair and sports, but we really do try to be flexible in getting everything done for our students.

### Highlights

#### Tribal Clothing visit

Ms. Luther, Health Tech, set this up, thank you. Thanks to the Tribal Clothing office for setting up at CCS. It was nice to see many of our parents get their child/ren signed up. Last day to sign up is 4/24/26 Call 505-726-2672, Jeantita Jones.

#### 8th graders

Our 8<sup>th</sup> graders completed two high school visits and one to our local University. I'm sure they got to see what schools nearby have to offer. Parents of all grades, please start talking to your child/ren about what they would like to do after high school whether its college, trade schools, military, etc. They have so much potential.

#### Growth and Development Presentation

Ms. Pablo, counselor is planning a Growth and Development presentation for upper grades tentatively this month. Thank you Ms. Pablo.

#### Parent presentation night, Topic: Vaping

We highly encourage all parents to attend this presentation about vaping and other substance abuse on April 30<sup>th</sup>. Vaping has become an increased issue in school. We will be revising our policy in regards to vapes, drugs or alcohol next year. ALSO, we will have a clear bag policy for next school year. Thank you Mrs. Charlee and Pablo from PIC for scheduling this.

#### Clear bag policy next School Year 26-27

As noted in last Newsletter, due to the number of vaping incidents we are looking into a clear bag policy for next school year after it is cleared by our solicitor.

**Thank you always, for your support of CCS, Ms. Whitehair**

### Reminder

1. Attendance still counts into the last day.
2. Check on your child/rens grades, make sure they are submitting any work that is still acceptable.
3. Do bag and pocket checks to ensure they are not bringing unnecessary things to school, that could cause disruption or disciplinary action.
4. Slow down when dropping or picking up our students.
