WEEKLY NEWS

Crownpoint Community School

<https://tto.bie.edu>

3RD QUARTER ENDING: MARCH 9, 2026

Good evening Parents and Guardians, I apologize for not sending home a weekly newsletter for the last few weeks. I hope all is well. As per our school calendar, 3rd quarter is coming to an end, **March 9, 2026**. I highly encourage parents to email teachers to see if your child is missing any work or log into their **Schoology portal to see their current grades**. If you would like access, please email me and I can send you the information or come in. **Parent Teacher Conferences will be on March 13, 2026 from 800-330 pm.**

Interim #2 testing: Feb. 24 and 25, 2026

3rd to 8th grade

AM test: 830-1000 and PM test 100-230

If you need check your child out please call the school to see which testing schedule they are on. Once the test is started we can't turn it off.

UP COMING PARENT INVOLVEMENT MEETINGS, PLEASE ATTEND:

March 5: Thursday @ 5:30: Science night with families. Food will be served.

March 9, 2025: School Board Meeting 9:30 am

March 10, 2026 @5:15: Parent Involvement Meeting.

This meeting is to get feedback from Parents on different school initiatives. And also provide information about our school. We would love to hear from parents as we plan different activities, etc. Food will be served.

March 16-20: Spring Break

March 26 @5:15: Parent Engagement activity

We hope to you all attend our parent evenings.

Attendance:

As of 2nd quarter our daily attendance rate is 92%, we are making our school goal, but we want to do better. Please ensure your child/ren is in school. If they are sick please get a Dr's note and get us a copy. Or call the school to inform us. If you hear from Marsh that means we haven't heard from you or your child has missed too many days.

thank you.

FIRE DRILLS & LOCK DOWN DRILLS

Since school has started we have been conducting fire drills monthly. Please let your child know the importance of following directions and how we need them to remember how we evacuate the building.

We have not had a school wide lock down, which will be scheduled before spring break. Teachers should be practicing in class so when we do the drill, they will already have some practice. Please keep in mind that some students may get a little nervous about this drill. It's a drill that most schools do. If you have questions, please call us. Dorm will have theirs this week.

STUDENT DROP OFF AND PICK UP:

Please be aware of the Radar mph sign, cross walk, pedestrians and other vehicles. I have received several reports of parents/guardians driving through the drop off and pick up lanes at a high speed and some are also avoiding the speed bumps by driving around them. We need to keep everyone on our school grounds safe.

Thank you, Ms. Whitehair, Principal
